

# Professional Anti-Theft Tablet Wall Mount for Commercial Use

The **Goochain Anti-Theft Tablet Wall Mount** is engineered for **high-traffic environments** where device security, durability, and user experience are critical.

With a **lockable clamp system** and **solid aluminum construction**, this mount prevents unauthorized removal while maintaining full operational flexibility.

## Fully Articulated Viewing Experience

- **360° rotation** allows portrait or landscape orientation
- **±30° tilt and swivel** ensures comfortable viewing from any angle
- Ideal for customer-facing and staff-facing applications

## Secure Anti-Theft Design

- Locking mechanism tightens directly onto the tablet
- **Zero key hassle** - lock/unlock with standard tool
- Perfect for **retail stores, showrooms, hotels, and public areas**

## Heavy-Duty Aluminum Construction

- CNC-machined aluminum for long-term durability
- Scratch-resistant black coating
- Designed for continuous commercial operation

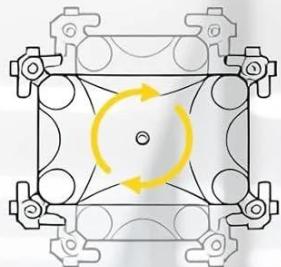

## Universal Tablet Compatibility

- Supports popular tablets including:
  - iPad / iPad Pro
  - Samsung Galaxy Tab

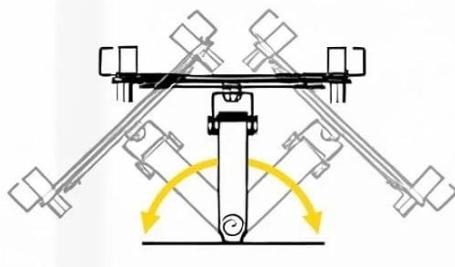

- Android & Windows tablets
- Adjustable clamp fits **9.7"-13" devices**
