

## **Product Description:**

### **360° Rotation for Maximum Flexibility**

The [\*\*iPad POS terminal stand\*\*](#) features full 360° rotation, allowing you to adjust your tablet to both landscape and portrait orientations with ease. This functionality is perfect for businesses that need to showcase products, take customer orders, or interact with customers using a tablet device.

### **Durable and Secure Design**

The iPad case is crafted from high-quality aluminum alloy, compatible with iPad 10.9 inch, offering both strength and a sleek, modern look. The stand's base is constructed from heavy-duty iron, finished with a durable spray paint that resists scratches and wear. The stand also includes a key lock mechanism, providing enhanced security for your iPad and preventing theft in public spaces.

### **VESA Mount Compatibility**

The stand is designed with VESA 75x75 and 100x100 mounting compatibility, allowing for easy installation and stable mounting of the iPad. Whether you need a permanent or temporary POS solution, the versatile mounting system provides secure attachment to the base.

### **Anti-Theft Protection**

Designed with security in mind, the iPad case features an anti-theft lock system that includes a key for securing the device. This feature is ideal for retail environments, hospitality settings, and other public spaces where the risk of theft may be a concern.

### **Manufactured by a Leading iPad Stand Manufacturer**

As a leading manufacturer in Dongguan, China, we specialize in designing and producing high-quality tablet stands. Our advanced production capabilities and strict quality control processes ensure that each stand meets international standards for durability and reliability.
