

Effortless Magnetic Charging

This stand features a **Magnetic POGO PIN charging system**, designed specifically for iPads used in POS environments. Say goodbye to tangled cables—just place your iPad on the stand for seamless charging while maintaining a clean workspace.

Integrated USB-C Multiport Dock

The built-in USB-C hub expands your device's functionality with:

- **3 USB-A ports:** Ideal for connecting peripherals like barcode scanners, receipt printers, or keyboards.
- **RJ45 Ethernet Port:** Provides a high-speed wired network connection (up to 1Gbps) for reliable payment processing and data transfer, even in high-traffic environments.

Adjustable Angles for Flexibility

With a rotation range of **45° to 90°**, this stand allows users to customize the viewing angle for maximum comfort during use, enhancing efficiency in checkout and customer service scenarios.

Durable and Customizable

Crafted with **premium aluminum alloy** for durability, this stand is built to last in busy commercial settings. As a **factory specializing in custom solutions**, we offer:

- Branding options (logos, colors)
- Tailored port configurations
- Adjustable cable lengths to meet your business requirements.

Wide Device Compatibility

Compatible with a variety of devices, including:

- iPad POS systems
- Retail payment terminals
- Card readers
- Other USB-C-enabled devices

Applications

- **Retail:** Streamline checkout processes with integrated charging and connectivity.
- **Healthcare:** Perfect for patient registration and mobile workstations.
- **Hospitality:** Ideal for restaurants, cafes, and hotels for efficient payment and customer service.

Why Choose Us:

As a **trusted manufacturer of POS stands and charging solutions**, we bring over **10 years of experience** in delivering high-quality products to global clients. Our expertise includes **custom product development, R&D innovation, and advanced manufacturing capabilities**.

We work with industry leaders such as **Lightspeed, Square, and AppCard**, ensuring our products meet the highest standards for retail and payment systems.
