

Popular Black Universal Adjustable TV & Computer Monitor Arm Mount Stand

Our **Universal Adjustable Monitor Arm Mount Stand** is the perfect solution for homes, offices, and workstations that require flexible, ergonomic, and space-saving solutions. This high-quality mount supports **up to four monitors** and is designed for **15"-32" screens**, offering a sleek and modern look with the ability to rotate, tilt, and adjust height.

Key Features:

- **Universal Compatibility:** Supports most TVs, computer monitors, and displays (15"-32"), including VESA-compatible brands.
- **Four-Monitor Setup:** Supports up to **four displays** simultaneously, enhancing productivity and workspace organization.
- **360° Rotatable Design:** Enables **full screen rotation** and **swivel** for both landscape and portrait modes.
- **Height Adjustability:** Adjustable height (up to **400mm**) to ensure ergonomic viewing angles.
- **Durable Aluminum Alloy:** Made from premium-grade aluminum for **strength and stability**.
- **Cable Management:** Built-in cable management system for a clean, organized workspace.
- **Easy Installation:** Includes **clamp** and **grommet** mounting options for versatile desk setups.

We are a Chinese direct manufacturer with over 10 years of experience in monitor arms, TV mounts, etc. Besides, we also produce **POS stations, tablet stands, payment terminals and card reader mounts**. Our in-house R&D team provides OEM/ODM services, offering customized development solutions for quick production to meet your needs.
