

As a professional [POS terminal stand manufacturer](#), we proudly present this **Locking Wall Mount Terminal Stand**, designed for **secure and efficient operations** in retail, hospitality, and other commercial settings.

Crafted from **high-quality steel with an anti-corrosion coating**, this stand ensures durability in high-traffic environments. The built-in **locking screws** provide enhanced security, making it an ideal choice for protecting your **POS terminals**, card readers, and **payment devices**.

The wall-mounted design saves valuable **countertop space**, while the adjustable arm allows for **360° rotation** and $\pm 45^\circ$ tilt, enabling users to set the perfect angle for customer interaction and payment convenience.

Our [factory-direct solutions](#) support customization to meet your specific needs, whether it's branding, unique dimensions, or special finishes. With over 10 years of experience in manufacturing **POS accessories**, we are your trusted supplier for bulk orders and OEM services.

This stand is compatible with a wide range of **POS systems**, ensuring versatility and ease of use in diverse applications, from retail stores to restaurants. Installation is simple and secure, with all mounting hardware included.
