

Product Overview

Secure Tablet Enclosure Stand

Our **Secure Tablet Enclosure Stand** provides a heavy-duty solution to protect your 9.7-inch iPads or other tablets in retail, commercial, or public settings. Designed with robust steel construction, this lockable tablet holder ensures your devices stay secure while offering an easy-to-use, adjustable, and versatile mounting solution.

Ideal for **kiosks**, **POS displays**, or **product presentations**, the stand features **anti-theft properties** and is available in a sleek, modern black finish that complements any environment. Keep your tablet charged continuously with the built-in cable management system, which allows you to thread the charging cable through the bottom of the mount.

Product Description

Looking for a **secure tablet mount** for your **retail kiosk** or **commercial display**? This **Secure Tablet Enclosure Stand** is the ideal solution, providing a sturdy and safe environment for tablets. The stand's lockable design protects against theft and tampering, making it perfect for high-traffic areas like **malls**, **banks**, and **showrooms**.

Heavy-Duty Protection

Crafted from **solid steel**, this enclosure is designed to withstand wear and prevent unauthorized access. The **tablet holder** features a **hidden home button**, ensuring the tablet remains on the intended screen or app. Whether mounted on a desk, wall, or directly to a **VESA-compatible mount**, it offers flexibility to suit your unique needs.

Easy Installation & Versatility

The mount is designed for **easy installation** on desks, tables, walls, or even to a **VESA-compatible monitor mount**. This makes the tablet stand suitable for different setups, from **retail points of sale (POS)** to **hospitality** and **customer service areas**. Its versatile design supports **continuous charging**, ensuring your tablet is always ready to use.

Why Choose Us?

As a **leading manufacturer and supplier in China**, with facilities in **Shenzhen** and **Dongguan**, we offer top-quality tablet mounting solutions for businesses around the world. Our focus on product quality and customer satisfaction ensures that your tablet display systems remain functional and secure. We provide competitive prices, fast shipping, and excellent customer service to our global clientele.
