

Product Description

Looking for a **secure mount** for your 10-inch tablet? The **Security Anti-Theft Acrylic Case** is perfect for **kiosks**, **POS systems**, and **store displays**. It features a **lockable design** with security screws, keeping your tablet safe from theft and tampering in high-traffic areas.

Key Features:

- **Sturdy Acrylic Construction:** Crafted from **8mm thick acrylic** for superior protection.
- **Lockable Design:** Includes **six security screws** to prevent unauthorized access (screwdriver included).
- **VESA Mount Compatible:** Supports **100x100mm** and **75x75mm** VESA mounts for easy integration with display systems.
- **Dual Orientation Support:** Enables both **portrait** and **landscape** orientations for flexible setups.
- **Easy Installation:** Simple and quick to install with the included screws and screwdriver.

This case is perfect for securing your tablet in high-traffic environments like **retail spaces**, **exhibition booths**, or **customer service stations**, ensuring your device stays in place and operational throughout use.
