

Secure Commercial-Grade **Tablet Kiosk Stand**

The Goochain Tablet Stand Kiosk with Lock provides a **robust and secure solution** for businesses requiring reliable tablet protection in public environments. The enclosure is built with heavy-duty steel and a tamper-proof locking system, preventing theft and unauthorized removal of your iPad.

Perfect Fit for 10.9-11 Inch iPad Models

This enclosure supports a wide range of modern iPads, including the iPad 10th Gen 10.9", iPad Pro 11", iPad Air 4/5, and the new iPad 11" A16. A custom internal padding system ensures a perfect fit without scratches.

Flexible Installation for Any Environment

Choose from desktop, wall-mount, or countertop mounting options. The optional floor stand makes it ideal for exhibitions, malls, and check-in stations. Hidden cable management ensures a clean, professional appearance.

Enhanced Usability & Viewing Angles

The kiosk supports **tilting and optional rotation**, allowing for easy interaction, whether used for POS checkout, customer information, QR scanning, or self-service kiosks.

OEM/ODM Manufacturing Available

As a professional **tablet kiosk manufacturer in China**, Goochain offers complete OEM/ODM services, including private labeling, custom colors, customized enclosure size, and mass production for corporate projects.
