Product feature

As a professional manufacturer, we proudly present our **USB Type-C to 4-Port USB 3.0 Hub** designed to enhance your digital workflow. Whether you're connecting flash drives, keyboards, mice, or external hard drives, this hub ensures reliable and ultra-fast data transmission with speeds up to 5Gbps.

Crafted with durability and performance in mind, this **high speed USB 3.0 hub** is ideal for enterprise users, hospitals, labs, and tech environments that demand seamless connectivity. Backed by our **ISO 13485 and ISO 9001** certified manufacturing processes, we offer complete customization—from casing materials to cable lengths and color options—enabling OEM/ODM branding for your market needs.

Our R&D team ensures flexibility in product adaptation, making it suitable for medical device interfaces, industrial applications, educational institutions, and commercial use.

Applications

- Medical Devices & Diagnostic Equipment

- Educational Tablets & School Devices

- Laptop/Notebook Peripheral Expansion

- Office & Industrial Automation

- Portable Workstations and Remote Teams
